# THE **POWER** OF **READING**TO YOUR CHILDREN

### THE LITERACY CHALLENGE IN SOUTH AFRICA

43% of our Grade 5 children were unable to read at even the basic reading level when tested as part of an international reading study.

Progress in International Reading Literacy Study (PIRLS), 2011

Only 5% of our Grade 5 children reached the high level international benchmark for reading.

Progress in International Reading Literacy Study (PIRLS), 2011

Even in small classes of 20 children, few, if any teachers, can find even 5 minutes of time in a day to devote to reading with each child.

#### THE GOOD NEWS

## Read to your children

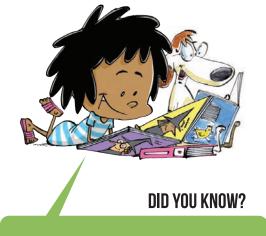

A significant factor influencing a child's early educational success is an introduction to books and being read to at home prior to beginning school.

National Commission on Reading, 1985

## Be a reading role model

Children who know adults who read for pleasure take it for granted that reading is a valuable and worthwhile activity.

Csikszentmihalyi, 1991

## **GROW A LOVE OF READING**

Children who like reading are motivated to read and are more confident and better readers than children who do not like reading.

PIRIS 2011

#### TURN OFF THE TV

Children who read a lot as opposed to watching television develop longer attention spans.
